EXPERIENCE IN PROCESSING PROFESSIONAL RECOGNITION

Das Siegel **WIR FÖRDERN ANERKENNUNG** zeichnet Unternehmen aus, die auf herausragende Art und Weise Beschäftigte im Verfahren der Anerkennung ihrer ausländischen Berufsabschlüsse unterstützen, Vielfalt schätzen und die Mitarbeiterqualifizierung stetig vorantreiben. Das Siegel ist eine Initiative des Projekts «Unternehmen Berufsankennung» – unterstützt von der Deutschen Industrie- und Handelskammer (DIHK) sowie dem Zentralverband des Deutschen Handwerks (ZDH), gefördert vom Bundesministerium für Bildung und Forschung (BMBF).

YOUR PATH TO PROFESSIONAL RECOGNITION

1. Apply through our online portal:

Apply for recognition of your nursing education through the OSK website

You must upload following documents:

- Cover letter
- CV
- A digital color copy of your passport
- Proof of your vocational degree/ bachelor's diploma, certified and translated

2. Online Interview

If your documents are complete and your application convinces us, we will invite you to an online interview

3. The job offer

If you also impress us in the online interview, you will receive an job offer.

Now you will get and send us:

- A german language certificate B2
- Proof of measles vaccination (First and second)

We will support you:

- With applying for the deficit notice from the Stuttgart (capital of federal state Ba-Wü) Regional Council
- With applying for a valid work and residence permit

4. Timing your Arrival

Together we will organize your arrival:

- We will start the accerelated skilled worker procedure
- You will summit your passport to the embassy for the visa
- We will discuss your arrival together and organize your pick-up from the airport
- We will provide you with an apartment to rent
- We will support you with all necessary appointments (e.g., residence registration, etc.)

5. Employment + preparation for the knowledge examination

Three times a year, our knowledge training course begins. Until recognition is granted, you will receive an 18-month fixed-term contract. During this time, you will be prepared for the knowledge examination, which usually takes place after 8 months.

Process of preparing for the knowledge examination:

- Begins with a 4-week theory block
- Alternating practical phases on the ward and theoretical phases (9 weeks in total)
- Your assignment is chosen based on your skills and interests
Please let us know your desired field of expertise.
- Support from a language coach, if needed
- Completion: theoretical and practical examination

CLINICAL NURSING INSTRUCTORS AND PRACTICAL TRAINERS

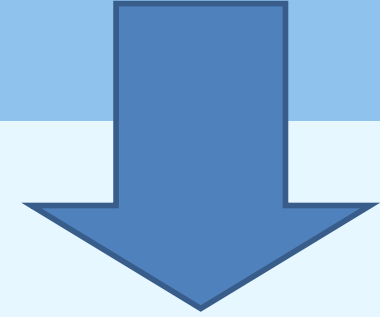

- Induction plan
- Work accompanied by a supervisor
- Regular assessment of professional development
- Mock exams
- Second chance if you fail

WHAT WE WILL OFFER YOU

- 12-month contract as a nursing professional in recognition. Base salary: €3,119/month
- After passing the exam: permanent contract. Base salary: €3,642/month
- Staff accommodation for the duration of the recognition process
- 30 days of paid vacation/year
- Various working time models
- Training and continuing education opportunities
- Job ticket subsidy
- Wellpass (subsidy for sports activities)
- Job bike
- Employee celebrations
